KIRKLAND URBAN BUILDING DEMOLITIONS

Per Steve Lybeck, Permit Tech Supervisor:

- No Rodent Abatement Letter is required for the demo of all buildings on the Kirkland Urban site
- One Notification from Puget Sound Clean Air Agency will be accepted for all building demolitions; however, we require a comprehensive Independent Asbestos Study prior to issuance.

=====

At the 04-13-2016 Kirkland Urban it was clarified that we will need the comprehensive Independent Asbestos Study prior to issuance of the Demo Permits:

DEM16-02768

DEM16-02769

DEM16-02770
